Hi Scott

Condition 13 - please can you confirm Condition 13 can now be discharged as the Section 38 Agreement was completed on 31 August 2011? A copy of the S38 is attached for your information.

Condition 15 - I understand from my clients that the Section 278 Agreement is nearly resolved. Once this has happened I will make contact to seek confirmation on this condition

I look forward to receiving confirmation on condition 13.

Regards

Joe

Afternoon Scott

The contract with the RSL is nearing

completion but they need satisfaction that condition 15 is discharged. Your letter dated 24 May (attached) state under condition 15 'awaiting an update from Highways'. Please can you confirm the current status of this condition?

Regards

Joe

Hi Scott

Is there any update on this as the RSL require evidence of that all conditions have been discharged before they will complete their contract? So far I only have conditions 3, 4 and 16 formally discharged.

Many thanks

Joe

Afternoon Scott

Thanks for your letter discharging conditions 3, 4 and 16 and I acknowledge you are awaiting feedback on conditions 6 part iii, 10, 12 and 13. Presumably the other condition numbers not referred to in your letter can also be discharged, for example ecology?

I look forward to hearing from you.

Regards

Joe
