Dear Trevor

Further to our meeting last week and our subsequent telephone conversation this morning, I can confirm that we are prepared to withdraw our current application and as such I would be grateful if you could arrange for it to be removed from the Committee Agenda for tonight's meeting.

I am grateful to you for the time and effort you have committed to better understand our position on this development which, in our opinion, will benefit from a fresh opportunity to re-present the case for this Debut scheme given the change in faces and responsibilities that has taken place within the Council since we made our original presentations to the Senior Management Team.

We agreed that the next step should be a top down approach and with that in mind I will contact you once we have completed our preparation work in order that you can broker the meeting.

Kind regards

Yours sincerely

Alan Dorn
Managing Director
