Re: 10/00386/FUL

Thank you for your letter of 16th June 2010 regarding above application.

As before with 08/00383/FUL I think our main concerns would be the level of parking available and the effect the extension and new pharmacy would have on the adjacent roads and our own site parking.

I have also forwarded a copy of your notification to Brian Dodd at Leicestershire Partnership NHS Trust (LPT) as they own the building opposite, known as the Orchard Centre. Previously, up until 1st December 2009, I acted for both LPT and Leicestershire County and Rutland PCT but now we have split I was unsure whether LPT were aware of this new proposal.
