Your Ref: 09/000303/TPO

Dear Sirs,

Re: Consent to carry out work on trees protected by a T.P.O.
Application N° 09/00303 TPO

Thank you for the decision notice in relation to my application.

Pursuant to the terms I endose a landscaping scheme which we have for the garden, on which I have indicated the three trees I would intend to plant to replace the hollies. I have noted the trees which you suggested but all of these appear to be potentially very tall trees which I consider to be unsuited to the site and our needs. I trust my alternatives will be acceptable.

Yours faithfully

Mr. M. Bunney
