Dear Sir/Madam,

re Proposed rear extension 57 Sapcote Road, Burbage,
ref. 11/00548/FUL.

I refer to the above application submitted by Mr. M. Tunnicliffe .

He has asked me to submit an amended drawing showing a correction to the elevations for the proposal.

The S.E and N.W. Elevations now show the correct level of eaves to match those of the gable shown on the N.E. Elevation.

I trust this revised drawing will allow the application to proceed.

The drawing referred to is attached hereto.

Yours faithfully,

C.J. Rusted MCIAT
