With reference to my recently submitted application please find enclosed copies of my drawings No.NG/2011/1 indicating the proposed works to take place at the above premises, together with cheque for fees and copies of site and location plans.

I would be pleased if you would forward these on to the relevant department for their approval and/or comments.

If any further information or copies of the drawing are required please do not hesitate to contact me on either of the two numbers listed below.

Yours faithfully
