A diagram showing a cross-section of a door assembly. The door is shown with a handle and a lock mechanism. The handle is a horizontal bar with a circular knob. The lock mechanism is a vertical rod with a handle on the outside. The door is shown with a dashed line indicating the edge of the door frame.

A diagram showing a large 10x10 grid. A 5x5 subgrid is highlighted in the top-left corner, representing the first five rows and columns of the data matrix.

Slate Grey
