

TECHNICAL APPROVAL CERTIFICATE

Technical Approval is hereby granted in response to the 'Application for the Adoption of a New Sewer(s)' IWNL Form Ref IWNF001.

Conditions to this technical approval are subject to the following:

- All changes to the approved drawings and calculations are to be provided to IWNL, in writing, for approval. All site works undertaken in relation to these changes, without prior approval, will be at the developer's own risk.
- All discharge consents and flow restrictions imposed by statutory authorities and the overall development design must be adhered to at all times.
- Proposed drainage strategy is subject to final approval by the Local Planning Authority and/or Environment Agency.
- Technical Approval for the scheme is issued based on the fact that the drainage adopted by IWNL is not compromised by any future developments.
- Any Landscaping proposals require the prior approval of IWNL
