Comments

Submission Type:

Comments:
A. Carlton Parish Council (the PC) has no objection to this proposal.

B. The PC notes that there is an error in drawing 6 which omits the proposed conservatory from one of the side elevations. The side elevations also appear to show an unacceptable change in roof ridge height, but this may be an artifact of

computer projection - the rear elevation shows the existing ridge height throughout.

C. The PC questions the wisdom of moving the oil storage tank so far away from the front drive as this may make deliveries difficult.

D. These comments refer only to the application submitted on 8th December, and the PC wishes to be informed of any later amendments.
