Dear Sirs,

Re: Park House, Stoke Golding, Leicestershire
Planning Consent Ref 08/00795/FUL

With reference to the above planning consent we are writing to advise you that our clients intend to site a mobile home on the site during the construction process. This will be used as a 'site cabin' from which the project will be managed but will also be used as temporary accommodation whilst the building works take place.

Yours faithfully,

George Burton, MCIAT., C. Env., MIEMA, AIEEM
Director
