Dear Miss Humphries,

Groby Fish Bar, 1 Newtown Linford Lane, Groby

Further to your letter and enclosure of the 3rd January in respect of the above, I confirm that the current application for the variation of Condition 3 of the Planning Consent 05/00612/COU should only address the proposed revised opening hours of the cafeteria.

I also enclose, as requested, a Full Plans planning application in respect of the retention of the current openings on the north-east elevation and the proposed internal alterations to provide a reduced floor area to the cafeteria.

Yours sincerely,

David M Haynes
