18th April 2012

Dear Sirs,

Re: 1 Burton Road, Twycross
Approval Reference 10/00133/FUL

With reference to your email of the 16th April regarding the outstanding items to discharge the conditions of the Planning Permission.

The materials will be left at reception within the next couple of days, Hanson Hampton Rural Blend Bricks and Redland Duo tiles in flame Red.

Landscaping
All existing boundary treatments are indicated on the topographical site survey drawing ref: 3768cv-01. The proposed scheme allows for all existing boundary treatments to be retained and reinforced/repaired as required in matching materials unless otherwise agreed in writing with the local authority planning department.

The proposed shrub/plant sizes have been incorporated into the landscaping schedule as specified on our drawing sheet 8a.

The existing trees have been added into the aforementioned landscaping schedule as specified on our drawing sheet 8a. The height and species of the existing trees is clearly specified on the aforementioned topographical site survey drawing ref: 3768cv-01.

The proposed implementation programme has been incorporated into the landscaping schedule as specified on our drawing sheet 8a.

Hopefully this will now be sufficient for the purposes of the landscaping condition as per approval ref: 10/00133/FUL

Yours faithfully
Hayward Exclusive Homes Limited
