Welcome to Lutterworth Coping Stones

We manufacture a wide range of the more common coping stones, and can create bespoke coping stones, if an original is provided.

We manufacture in the wet cast method and offer gloss or mat finishes. All stones can be provided in either engineering brick blue or brick red colours.

A Few Of The Coping Stones We Manufacture:

Halfmoon Coping

A coping stone for 9" walls. Available in red and blue.

9 stones per m of wall are required.

£2.50/Stone

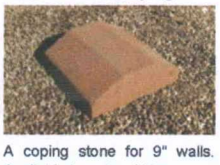
Single Brick Coping

An apex coping stone for single brick walls. Available in red and blue.

4.5 stones per m of wall are required.

£2.50/Stone

Multi-Faceted Coping



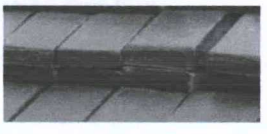
A coping stone for 9" walls. Available in red and blue.

3 stones per m of wall are required.

£5.00/Stone

To discuss you requirements in more details please call us on 01455 553745 or 07885 576303.

On-Site Manufacture



All our coping stones are made on-site, and can be manufactured in blue or red.

Bespoke Coping Stones

If you have an original stone we can usually create additional bespoke stones to order.

Leicestershire, Warwickshire, Northamptonshire & Rutland
