Castle Surveys Ltd does not accept any responsibility for this plan if supplied to any other party, other than the original client. All dimensions and levels should be checked on site prior to design and construction. Drainage information (where applicable) has been visually inspected from the surface and therefore should be treated as approximate only. Some services may have been omitted due to parked vehicles or due to the site being overgrown with vegetation. Tree information (where applicable) has been surveyed from ground level and therefore should be treated as approximate only. Advise that a tree survey should be carried out. Roof line work (where applicable) is indicative only. DO NOT SCALE ©Copyright Castle Surveys Ltd 2025 |
