Re-aligning of Football Pitch

As the result of the replacement of two ageing mobile classrooms with a new, purpose-built structure, it will be necessary for the football pitch on our field to be re-aligned.

Our present pitch lies "landscape" across our very generous field at the back of our school. Because the new structure will cut across its corner, we will arrange for it to be re-drawn "portrait" down the length of our field. Both goalposts will be re-sited at the beginning of the Autumn Term 2008, ready for regular use during September.

Sport plays a huge part in the success of our small village school. We have gained Activemark for 3 years running, were nominated as "Outstanding Achievement" school in 2007 by our development group and provision was highly praised in our recent (April 2008) Ofsted, where Congerstone was graded as outstanding. This term we ran 5 OSHL extra-curricular clubs; this week we have tennis, tri-golf, multiskills, swimming and football available for various age-groups. By encouraging an active, healthy lifestyle, we raise academic achievement. Our sports facilities are vital to us. Under no circumstances would we restrict our children's access to sport. Please be assured that the re-alignment will have no detrimental effect whatever. Sport is safe with us!
