Dear Richard

Proposal: **CHANGE OF USE OF LAND FOR THE PROVISION OF 4 PERMANENT GYPSY PITCHES AND TRANSIT GYPSY CARAVANS**

Location: **Whitegate Stables Caravan Park Copt Oak Road Copt Oak Markfield Leicestershire LE67 9PJ**

I refer to Change of Use application No.10/00649/COU. Thank you for consulting the Airport with the above proposed application.

The proposal has been examined from an aerodrome safeguarding aspect and does not conflict with safeguarding criteria. It is worthy of note that the ground height in this area is relatively high compared with the height restrictions as defined by Civil Aviation Publication CAP168. Accordingly, this department has no safeguarding objection to the proposal, provided the following condition is applied to any permission granted:

- Heights of structures must not exceed 235m AOD

Should you require further information relating to aerodrome safeguarding issues at East Midlands, Bournemouth and Humberside airports , please do not hesitate to contact me directly on 01332 852971 or via email using safeguarding@eastmidlandsairport.com

Yours sincerely
