Subject: 09/00797/FUL Barwell- Roof Tiles for plots 10 - 19 & 23
Attachments: Blue 64.jpg; Charcoal 77.gif

Afternoon Richard, the approved roof tile for this consent is Gemini Forticrete, colour black. However there is a problem with availability of these tiles and so we'd like to propose a tile called Redland Duo instead. The two tiles are identical and Redland Duo are available in the attached colours.

Please let us know if Redland Duo is acceptable and which colour, thanks.

Regards,

Raj Singh
Director
