Subject:	Application Ref. 09/00643/FUL - Proposed Erection of One Dwelling on Land Rear of 200 High Street, Earl Shilton

Good afternoon,

Thank you for your letter dated 28th August, 2009 advising me of the planning application recently submitted in respect of the above development at Earl Shilton.

Public footpath U87 abuts the northern boundary of the application site. Having regard to the fact that the Design Statement makes reference to the northern boundary remaining as a 2 metre high fence with a 2-3 metre high conifer hedge, the footpath is unlikely to be directly affected by any works associated with the proposed development.

In the circumstances, I have no detailed comments to make upon the application.
