Dear Mr and Mrs Doggett
Re: Drive access and visibility.

I ref to our recent conversation and discussion with regards to your drive, over which we enjoy a right of way.
As discussed I confirm that we are amenable to the idea of improving the visibility to our mutual benefit.
We are agreeable to a reduction in our boundary wall abutting the highway to a height not exceeding one metre; the coping course will be made good in a style to match the existing and all costs met by the developer of the land to the rear of 47 lutterworth road.
In addition to this I will ensure that all shrubbery and the like, within the triangular area shown on the attached plan is maintained at a height not exceeding one metre.
Additionally, we are prepared to enter into a legally binding agreement in this regards, satisfactory to and enforceable by the highway authority.

Yours sincerely

S W Nelson
