Part I - Particulars of Application

Date of Application

17 May 2023

Application No.

23/00483/FUL

Particulars and location of development :

Proposed new 5 bedroom house to part of the existing garden land of 36 Station Road, Stoke Golding

36 Station Road Stoke Golding Nuneaton Leicestershire CV13 6EZ

Part II - Particulars of decision

In dealing with the application, through ongoing negotiation the local planning authority have worked with the applicant in a positive and proactive manner by offering a pre-application advice service and by seeking solutions to problems arising in relation to dealing with the planning application and this has resulted in the approval of the application. The Local Planning Authority has therefore acted pro-actively to secure a sustainable form of development in line with the requirements of the National Planning Policy Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

In pursuance of its powers under the Town and Country Planning Act 1990, the Hinckley and Bosworth Borough Council grants permission for the carrying out of the development referred to in Part I hereof in accordance with the application form and plans submitted, subject to the following conditions :-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall not be carried out otherwise than in complete accordance with the submitted application details, as follows:

- Location Plan - Drawing No. 22-62-01
- Block Plan - Drawing No. 22-62-02
- Proposed Site Plan - Job No. 22-62 Drawing No. 17E
- Proposed Elevations - Job No. 22-62, Drawing No. 16E
- Proposed Floor Plans - Job No. 22-62, Drawing No. 15E
- House 3D view and sections - Job No. 22-62, Drawing No. 13D

IMPORTANT - PLEASE READ THE NOTES AT THE END OF THIS DOCUMENT

- Proposed elevation along existing drive - Job no. 22-62, Drawing No. 30C

Reason: To ensure a satisfactory form of development in accordance with Policies DM1 and DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Policy SG15 of the Stoke Golding Neighbourhood Plan.

3. No development above foundation level shall commence on site until representative samples of the types and colours of materials to be used on the external elevations of the dwelling hereby permitted have been deposited with and approved in writing by the local planning authority, and the scheme shall be implemented in accordance with those approved materials.

Reason: To ensure that the development has a satisfactory appearance in the interests of visual amenity in accordance with Policy DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Policy SG15 of the Stoke Golding Neighbourhood Plan.

4. No development shall take place until a scheme of hard and soft landscaping works, including boundary treatments, for the site, including an implementation scheme, has been submitted in writing to and approved in writing by the local planning authority. The scheme shall be carried out in full accordance with the approved landscaping scheme. The soft landscaping scheme shall be maintained for a period of five years from the date of planting. During this period any trees or shrubs which die or are damaged, removed, or seriously diseased shall be replaced by trees or shrubs of a similar size and species to those originally planted at which time shall be specified in writing by the Local Planning Authority.

Reason: To ensure that the development has a satisfactory external appearance in accordance with Policies DM4 and DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Policy SG15 of the Stoke Golding Neighbourhood Plan.

5. During the construction period, none of the trees or hedges indicated to be retained shall be cut down, uprooted or destroyed, nor shall be topped or lopped other than in accordance with the approved plans, without the written approval of the Local Planning Authority. If any of the trees or hedges to be retained are removed, uprooted or destroyed or dies, a replacement shall be planted at the same place and that tree or hedge shall be of such size and species, and shall be planted at such time, as maybe specified in writing by the Local Planning Authority.

Reason: To ensure that the existing trees on the site are retained and protected in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and paragraph 170 of the National Planning Policy Framework (2021).

6. Before any development commences on the site, including site works of any description, a Tree Protection Plan prepared by a suitably qualified arboriculturist shall be submitted to and approved in writing by the local planning authority. The plan shall include protective barriers to form a secure construction exclusion zone and root protection area in accordance with British Standard 5837:2012 Trees in relation to design, any trenches for services are required within the fenced-off areas, they shall be excavated and back-filled by hand and any tree roots or clumps of roots encountered with a diameter of 25cm or more shall be left un-severed. The development shall be implemented in accordance with the approved Tree Protection Plan.

Reason: To ensure that the trees on site are to be retained and adequately protected during and after construction in the interests of the visual amenities of the area and biodiversity in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and paragraph 170 of the National Planning Policy Framework (2021).

7. Within one month of the removal of the trees as identified in the submitted Tree Survey (CBE Consulting, July 2023); details of replacement trees, including their location, shall be submitted to and approved in writing by the Local Planning Authority. The replacement trees shall be planted in accordance with the approved details in the next available planting season (October to March). The trees shall be maintained for a period of five years from the date of planting. During this period any trees or shrubs which die or are damaged, removed, or seriously diseased shall be replaced by trees or shrubs of a similar size and species to those originally planted at which time shall be specified in writing by the Local Planning Authority.

Reason: To ensure that replacement trees are planted on site in the interests of protecting the amenity of the conservation area in accordance with Policy DM11 and DM12 of the adopted Site Allocations

and Policies Development Plan Document (2016).

8. The development shall be carried out in accordance with the recommendations and mitigation measures identified in the Ecological Appraisal by C.B.E Consulting submitted on 12th July 2023. Prior to occupation of the dwelling, one bat roost tube and a pair of swift nest bricks are to be integrated into the structure of the new buildings. The locations, makes, models and photographic evidence of the boxes are to be provided to the Local Planning Authority.

Reason: To ensure the protection of protected wildlife species and their habitats in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies DPD (2016) and Policy SG11 of the Stoke Golding Neighbourhood Plan.

9. No development shall take place/commence until a written scheme of investigation (WSI) has been submitted to and approved by the local planning authority in writing. For land that is included within the WSI, no demolition/development shall take place other than in accordance with the agreed WSI, which shall include the statement of significance and research objectives, and:

- o The programme and methodology of site investigation and recording and the nomination of a competent person(s) or organisation to undertake the agreed works
- o The programme for post-investigation assessment and subsequent analysis, publication and dissemination and deposition of resulting material. This part of the condition shall not be discharged until these elements have been fulfilled in accordance with the programme set out in the WSI.

Reason: To allow proper investigation and recording of the site, which is potentially of archaeological and historic significance in accordance with Policies DM11, DM12 and DM13 of the adopted Site Allocations Development Management Policies Development Plan Document (2016).

10. Notwithstanding the provisions of Article 3, Schedule 2, Part 1 Classes A-E; of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no enlargement, improvement or other alteration to the dwellings shall be carried out unless planning permission for such development has been granted by the Local Planning Authority.

Reason: To safeguard the amenities of neighbouring properties in accordance with Policy DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016).

11. Notwithstanding the approved plans, all windows serving bathrooms, WCs and en-suites shall be fitted with obscure glazing to a minimum level of 3 on the Pilkington Scale. The windows shall be permanently maintained as such thereafter.

Reason: To help safeguard the privacy and amenity of occupiers and neighbours in accordance with Policy DM10 of the Site Allocations and Development Management Policies Development Plan Document (2016).

NOTES TO APPLICANT :-

1. The approved development may require Building Regulations Approval, for further information please contact the Building Control team via e-mail at buildingcontrol@hinckley-bosworth.gov.uk or call 01455 238141.
2. Nesting birds and bats, their roosts and their access to these roosts, are protected under the Wildlife and Countryside Act 1981 and the Conservation (Natural Habitat etc) Regulation 1994. Therefore, should birds or bats be present, works should be deferred until the late summer/autumn.
3. Application forms to discharge conditions and further information can be found on the planning portal website www.planningportal.gov.uk.
4. The suitability of the ground strata for soakaway drainage should be ascertained by means of the test described in BRE Digest 365, and the results approved by the Building Control Surveyor before development is commenced. The soakaway must be constructed either as a brick or concrete-lined perforated chamber with access for maintenance, or alternatively assembled from modular surface water storage/soakaway cell systems, incorporating silt traps. Design and construction of all types of soakaway will be subject to the approval of the Building Control Surveyor.

5. Any access drives, parking and turning areas, paths and patios should be constructed in a permeable paving system, with or without attenuation storage, depending on ground strata permeability. On low-permeability sites surface water dispersal may be augmented by piped land drains, installed in the foundations of the paving, discharging to an approved outlet (See Environment Agency guidance on the permeable surfacing of front gardens).

Christopher Brown MRTPI
Planning Manager (Development Management)

Date : 20 July 2023

NOTES

1. It will be most helpful if the application number shown overleaf is quoted in all correspondence.
2. If you consider that this decision has been made invalidly through the Council failing to follow a procedure correctly, not having the legal power to make the decision in the way it did or through its decision being so unreasonable as no reasonable local authority would make the same decision based on the same facts, then you may enter a claim for judicial review to quash the decision. In order to proceed with a claim for judicial review an initial application for permission will need to be made to the Administrative Court, this application is required to be made "promptly and in any event within three months of the decision". The initial permission application will decide if you have an arguable case, whether you are sufficiently materially affected by the decision to bring the claim. If you are granted permission to bring the claim it will proceed to a full hearing at the Administrative Court. Although there is no requirement for you to do so it is highly recommended that you seek independent legal advice before bringing forward a claim for Judicial Review.
3. If you are aggrieved by the decision of the Local Planning Authority to grant permission subject to conditions, you may appeal to the Secretary of State for the Environment in accordance with Section 78 of the Town and Country Planning Act 1990 within six months (see para 2a below) of the date of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, tel. 0303 444 5000 or online at <https://www.gov.uk/appeal-planning-decision>). You must use a Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the appeal form you require. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that the permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements as set out in Section 78 of the Town and Country Planning Act 1990, to the provisions of the development order, and to the directions given under the order. He does not in practice refuse to entertain appeals solely because the decision by the Local Planning Authority was based on a direction given by him. Appeals- new time rules. Appeals relating to applications made to the Local Planning Authority on, or after, 5th September 2003 must be made within six months of the date of this notice.
4. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application then, you must do so in accordance with the guidance found using the following link <https://www.gov.uk/appeal-enforcement-notice>.
5. If permission to develop land is granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
6. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
7. This permission covers only consent under the Town and Country Planning Acts and does not give permission to demolish a Listed Building, for which separate consent is required. Amongst other things the consent of the Council of the district in which the land is situated may be required under the Building Regulations and if the proposals affect land within the limits of the highway (that is between the highway fences or hedges) the separate consent of the Highway Authority may also be required. Steps to obtain the necessary further consents should be taken before proceeding with the development.

SHOPS, OFFICES, FACTORIES, EDUCATIONAL BUILDINGS & BUILDINGS TO WHICH THE PUBLIC ARE TO BE ADMITTED : ACCESS AND PROVISION FOR THE DISABLED PERSONS

- 1 The Local Planning Authority is required to bring to your attention the requirements of the Disabled Persons 1981, Building Regulations 1991 "Access and facilities for Disabled People" document M and the Chronically Sick & Disabled Act 1970 (as amended 1976) (Sections 4.7.8 and 8A) requiring the provision of access facilities, car parking and toilets for the disabled and the provision of signing indicating what provision has been made for disabled persons within the building. Your attention is also drawn to the Code of Practice B.S 5619 "Design of Housing for the convenience of Disabled People", 1978 and Code of Practice, B.S. 5810 : 1979, "Access for the Disabled to buildings" available from the British Standards Institution, 2 Park Street, London W1A 2BS. (Tel 071-629-9000) and (in so far as educational buildings are concerned), to Design Note 18 "Access for the Physically Disabled to Educational Buildings."
- 2 The buildings to which these requirements apply are :-
 - a) Buildings to which the public are to be admitted to which Section 4 of the Chronically Sick & Disabled Act 1970 (as amended 1976) applies.
 - b) Offices, Shops & Railway Premises as defined in the Offices, Shops & Railway Premises Act 1963 or premises deemed to fall within the Act.
 - c) Factories as defined by Section 175 of the Factories Act 1961.
Educational Buildings as defined by Section 29B of the Disabled Persons Act 1981.

PPNOTES (02/07/2014)

Hinckley & Bosworth
Borough Council

Start Notice

Important Information – Please keep this with your decision notice

Please read the above decision notice carefully and ensure that you understand and comply with the requirements of any planning conditions imposed.

If you require any further information about why a particular planning condition has been imposed or in respect of what information is needed to discharge your condition please contact the case officer who will be happy to advise of the requirements and information required.

We carry out a programme of site monitoring to check compliance with conditions in order to proactively manage the development and to ensure development is carried out in accordance with the planning permission granted.

Please ensure that any application for the discharge of pre-commencement conditions are carried out in a timely manner as this may take up to 8 weeks depending on the requirements of the condition. Please also be aware there is a charge to discharge conditions per request which means you can discharge conditions individually or group details together as a single request to discharge multiple planning conditions. The fee for discharging these pre-commencement conditions, can be found on the [planning portal](#).

We would be grateful if you could email the development address and application reference number with your contact details and the intended start date by email to planning@hinckley-bosworth.gov.uk or complete the form on the reverse.
