Dear Louise,
Planning Application: 10/00320/LBC; The Wolstan Preparatory School, Temple Hall Farm, Bosworth Road, Wellsborough; ALTERATIONS TO FACILITATE THE CONVERSION OF BARN TO SPORTS HALL
We recently appraised the above development proposal against information contained in the Historic Environment Record. Although the site is in an area of archaeological interest, the actual groundworks required (excavation and re-laying of the floor) are very small scale. As such, we do not wish to comment, as we do not think it will have a significant impact.
Kind regards
