Ref: 07/01019/ADV - Advert Consent, Tesco Store, Hinckley, Leicestershire

Dear Louise,

Further to discussions with your office today, please find enclosed new advert consent for the above store. We understand that there was a mix up with the initial application and it was subsequently withdrawn, however we have been advised that the application fee we provided to you previously is still valid and will transfer over to the new application.

We would appreciate if you could deal with this application at your earliest opportunity, due to the fact that up until now we were of the understanding that the initial application was being processed.

In the interim, should you have any queries or require any additional information in relation to the application please do not hesitate to contact me.

Yours sincerely,

Peter Barker
