Dear Sir

Re: Modifications to Shop Premises & Entrance to First Floor Flat
Reference: 07/01245/FUL

I refer to the telephone conversation today between Mr Metcalfe and Mr Emery of this office and confirm that we wish to withdraw the above Application, in order that we can submit a revised Application for conversion of the area on the first floor to a flat. We now understand the first floor has never been used as a flat beforehand.

A new Application for the Change of Use of the first floor will be lodged shortly, and we would request that, due to the misunderstand of the designation of the first floor, that this be considered to be a re-Application but with a further fee, which we would calculate to be £130.00, rather than the £265.00 as we have previously paid £135.00 for the original Application. I will explain these details when we submit the Application, but hope you can foreseen that it would only be appropriate to consider the new Application in this manner.

Yours faithfully

The Burton Emery Partnership Ltd
