Heritage Statement

We seek to be granted consent for the erection of a garden shed to the rear of our property at Square One Bistro, 8 market Place Market Bosworth Nuneaton Warks.

The site of the shed is to be on a rear paved area and will be screened from neighbours by an existing 1.6 meter wall and tall mature trees on one side and a 1.6 metre fence on the other. The rear of the shed is screened by a 3.4 meter high brick outbuilding. The shed is to be a freestanding timber construction of feather boarding and will have a flat felted roof for low height. The finish is to be stained timber and will sympathetically match the existing boundary fencing both in colour and materials. It will have no impact on the structure of the main building and will not be visible from the front of the property. It will not be detrimental in any way to the character of the building or its surroundings and area.

There has been a shed on this site in this position since 2003 and we seek to regularize the re-erection of it.
