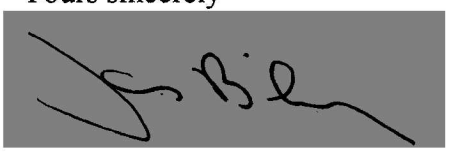
Dear Mr Wood

**Planning Portal Application No. 1599725**
**Change of use and associated works from tractor shed to office, ancillary to main dwelling. Ash Barn, Fields Farm, Gotham Lane, Osbaston. – Edward Downs**

Further to the online planning application submitted today under the above reference, Hard copies of the relevant documents are already in your possession owing to the fact that these were sent with our application of 22 June and which was "returned" on the 10 August via Mr Wright on the instructions of your lawyers who said that it should be submitted as a full application not as a variation of condition application. The reference number of that application being 11/00508/CONDIT. As the original hard copies were never returned to us, we assume you will have them on your files and these can be transferred.

I enclose a cheque for £335.00 being the fee for the new application together with a revised version of the planning statement.

Yours sincerely



For James Bailey Planning
