12th April 2012.

Hastings would like to offer the new build hall to the wider community for lettings during the weekday between 17.00 and 21.00 hrs.

At the moment, we have a Karate Club who would like to hire our new hall until 9pm on a Tuesday evening. We have "Lettings Premises Officers" who would ensure that the letting does not over run. Noise would be kept to a minimum as there is air conditioning in the new build thus, windows would be kept closed.

We would also like to offer the hall to other users for things such as Pilates, fencing etc.
