11th March 2009

Dear Sir/Madam

Shenton Hall
Your ref:09/00151/LBC

Further to your letter of the 4th March 2009, in response to the application for Listed Building Consent at the above address, I write to enclose four copies of the Heritage Statement as requested.

The Statement is to form part of the documentation for the application and should be read in conjunction with those documents. I also enclose a copy of the Roof Condition survey. Mr Whirrity already has a copy of this report and also the historical survey.

I hope that you now have sufficient information to process the application. You will appreciate that, in the interest of protecting the building, we would wish to be in a position to start works at the earliest date to make the most of the spring/summer weather.

If you require any further information then please do not hesitate to contact me.

Yours sincerely

Gary French
