Mr Mitchell and Mr Goodsell

Apologies for the delay in providing an update following the meeting last Monday; unfortunately, I was not in the office for much of last week.

Following the meeting MarCity are considering amendments to the previously submitted scheme and are likely to submit a revised application soon. Unfortunately, the exact timescales for any resubmission are not at present clear.

MarCity have committed to meeting with Stoke Golding Parish Council prior to the resubmission of any application. In addition, as part of the application process, they will provide displays for the Parish Council to exhibit to members of the public.

Should you require any further details please do not hesitate to contact me

Kind regards

David
