Dear Mr Goodsell and Mr Mitchell

Thank you for your letter referring to the application relating to St. Martins convent site which as you know has been withdrawn, following the public meeting that officers and Cllr Ward held with Mar City.

Mar City as you know have asked for a meeting with officers to discuss a scheme in a reduced form and that is taking place on 17th September. At that meeting officers will discuss with Mar City public engagement on the application that they want to re-submit. We would clearly like to do this before the application is submitted, but to a large extent, this has to be in agreement with Mar City as they do have the right to discuss their proposals in confidence until they formally submit them. However, at the public meeting I am sure they understood how everyone felt about the consultation process carried out by them and I'm sure will be reflecting on that. It is fair to note that they did hold exhibitions and meetings, even though you indicate that they were not a positive and meaningful experience.

As soon as there is further information I will ensure that you are informed and this will hopefully be after the meeting on Monday.

Kind regards

Tracy Darke
