Comments Details

Comments:	Whilst regretting that yet another resource is being lost to the community, the Market Bosworth Society does not object to the return of this building to its former use, residential.
	We do ask that the external colour scheme be in keeping with the medieval town centre and that wherever possible original features are preserved or even restored. We also ask that ample provision is made for waste storage at the rear of the building.
	We wish the applicants well in this conversation.

Kind regards
