Dear Sir

TEMPORARY DWELLING STANMAUR FARM BREACH LANE, EARL SHILTON, LEICESTER, LE9 7FB.

Further to our letter of objection dated 24th April 2009 investigations have shown that foul drainage from the proposed dwelling will discharge to an existing private treatment plant and not to a septic tank as quoted on the applicants planning application form.

Foul drainage discharging to a private treatment plant at this location is the best available option under Government Circular 03/99 and as such the Environment Agency withdraws its objection to the proposal.

Yours faithfully

MR GEOFF PLATTS
