To whom it may concern:-

I first met Mr. David Statham and Miss Helen Locke in 2002. It was in connection with buying a horse for my friend.
At the time we were shown into a barn which was home to some 15-20 horses. Outside was a menage. Later in 2003 I returned to purchase a horse for myself and found that the barn had been replaced, offering comfortable stabling for Helens horses, a great improvement indeed.
I confirm that the dates are right, and if I can be of further assistance please don't hesitate to contact me.
