Dear Rob Morgan

The proposed tree planting will take place February 2012, if weather conditions allow us to do so.
As it is too dry for planting trees at the moment.

If you require further details or information then do not hesitate to contact us.

Kindest Regards

Peter Simpson

Dear Mr Simpson

I write in connection with your recent application to discharge planning conditions attached to planning permission 11/00331/COU.

In terms of the landscape scheme please submit an implementation programme. The programme will indicate when the proposed tree planting shall be carried out. This does not need to be an exact date or month but we simply require details of when the trees will be planted in terms of the overall development project.

Should you require any further information please do not hesitate to contact me.

Kind Regards

Rob Morgan BSc(Hons) MASP
