Dear Ms. Louise Forman,

I would kindly ask you not to refuse the application.
As emailed last week we were planning to send amended drawings this week.

If we were to provide you with amended drawings by Tuesday 17th May could these be registered as part of current application please?

Kind regards,

Vilmantas Bavarskis

Dear Vilmantas

Unfortunately, now that this application has been assessed fully, it has been decided that it cannot be dealt with as a non material amendment. This is because an additional bedroom is proposed.

In the circumstances, please would you confirm whether or not you wish the application to be determined or whether you wish to withdraw the application and resubmit.
