Comments:
Following a site inspection, we note there are two wooden cabins on the Bosworth side of the club house building. They can be seen from Cadeby Lane, almost opposite the old gamekeepers cottage, but are well screened by the tall hedge and a mature oak tree.

We have no objection to the wooden cabins.

There are four unsightly containers scattered along the Bosworth Park side of the playing fields. We assume that the materials previously stored in these containers will now be kept in the new cabins. If so, we strongly recommend a condition that these containers be removed from the site. If additional storage is still required, we recommend that the necessary containers be sited near to the wooden cabins where they will be less obtrusive, thereby minimising any detrimental impact on Bosworth Country Park.
