Dear Mrs Arden,

Re: 15 Ashby Road, Hinckley

I am required to notify you that we intend to submit planning permission for the above property. This is because we will not have been the legal owners of the property for 21 days prior to the date of our planning application submission. We are applying for a change of use in order to use the property for educational purposes.

It is my understanding that you do not need to respond to this letter and that it is merely to satisfy a formal requirement of our application.

Yours sincerely,

Sally Jackson
