Good day,
If there are drainage proposals available (as I have been unable to locate foul drainage proposals), can you please email them to Planning.apeast@severntrent.co.uk quoting the above stw ref.

If drainage plans are not available at this stage, we please request that the drainage related condition remains and that we are reconsulted when drainage information has been provided.

Should you require any further information please contact us on email below.

Your sincerely,

Severn Trent
