HEALTH & SAFETY

SIGNIFICANT RESIDUAL RISKS

WORKING IN CLOSE PROXIMITY TO CARRIAGEWAY AND WITHIN HIGHWAY BOUNDARY.

NOTES:

1. TRAFFIC ON HIGHWAY B4669 AND TURNING INTO AND FROM SMITHY LANE IS EXPECTED TO BE AFFECTED DURING CONSTRUCTION OF THE WORKS. THE WORK AREA IS EXPECTED TO BE CORDONED OFF TO PROVIDE A SAFE AREA FOR CONSTRUCTION TRAFFIC TO PULL ON AND OFF THE ROAD. IT IS EXPECTED THAT TEMPORARY TRAFFIC SIGNALS WILL BE NEEDED FOR THE DURATION OF THE WORK (3 PHASE, INCLUDING SMITHY LANE JUNCTION) UNLESS THE ROAD IS WIDE ENOUGH TO ALLOW 2 WAY TRAFFIC AND A CONED OFF AREA. WHENEVER THE SITE IS UNATTENDED, THE TRAFFIC SIGNALS WOULD BE TURNED OFF AND THE FULL WIDTH OF THE ROAD REOPENED.
