Hi Nick,

Due to the close proximity of a large area of woodland, we would recommend that the roof and any trees to be removed are first checked for the presence of bats by a licensed bat worker.

Kind Regards,

Kirsty

Hi Kirsty,

I am in the process of validating an application for the above address. The proposal is for Extension and alterations to the Dwelling, of which includes disturbing the roof space. Can you tell me what level of inspection would be needed with regards to bats and nesting birds, if any at all?

Regards

Nick Cox
