Dear Miss Shaw

Please find attached:

DNA01-03 20 Edinburgh Rd - Extension Plans
DNA04-02 20 Edinburgh Rd - Site plans

As per your suggestions, I have made the following alteration to the plans for the proposed extension of No 20 Edinburgh Road, Earl Shilton.

- The width of the extension has been reduced from 3600mm to 3080mm
- The front of the first floor has been set back by 1000mm
- The roof line of the extension has been dropped 620mm below the existing roof line

As a result of these changes the following additional changes have been made

- Ensuite bathroom has been removed
- The back door of the property will now be off the current kitchen

The site plan has been updated to show the modified outline of the extension, no other changes have been made to this drawing.

I hope that the changes I have made will make the proposal more acceptable to the planning department.

If you need any other information or measurement please contact me.
