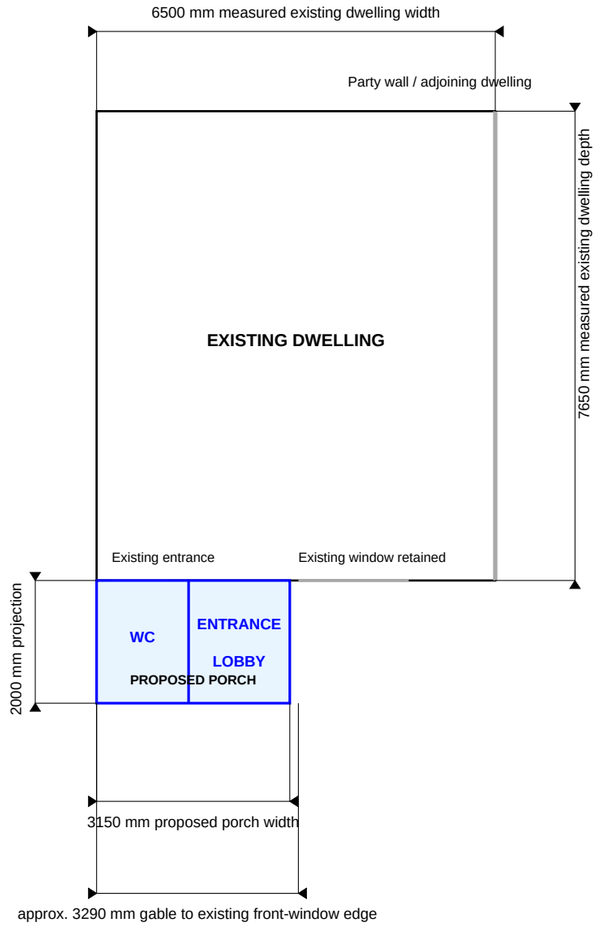
Revised Proposed Ground Floor Plan in Context - 1:100

Proposed porch shown in direct relationship to the complete existing dwelling footprint.



Plan notes

1. Complete existing dwelling footprint shown for context.
2. Proposed porch: 3150 mm wide x 2000 mm projection.
3. Porch flush with left gable/end wall.
4. WC on left/gable side; entrance lobby on right.
5. Existing right-hand ground-floor window retained; approx. 140 mm clearance to porch.
6. Internal dwelling room layout not surveyed and therefore omitted.
7. Internal WC partition and fittings are indicative only.

Scale bar 1:100

0 5m

Do not scale from drawing. Written dimensions govern. Existing external dimensions based on homeowner measurements.
