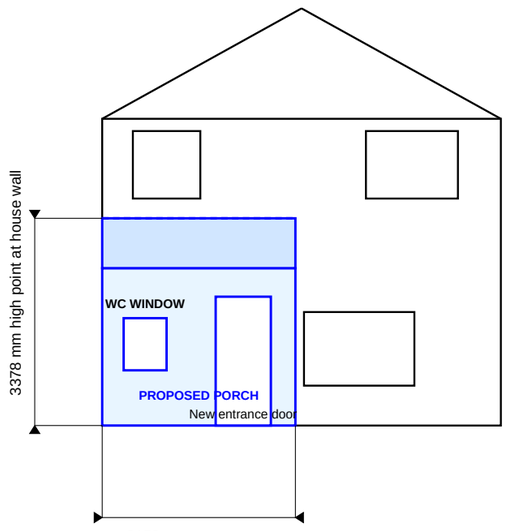
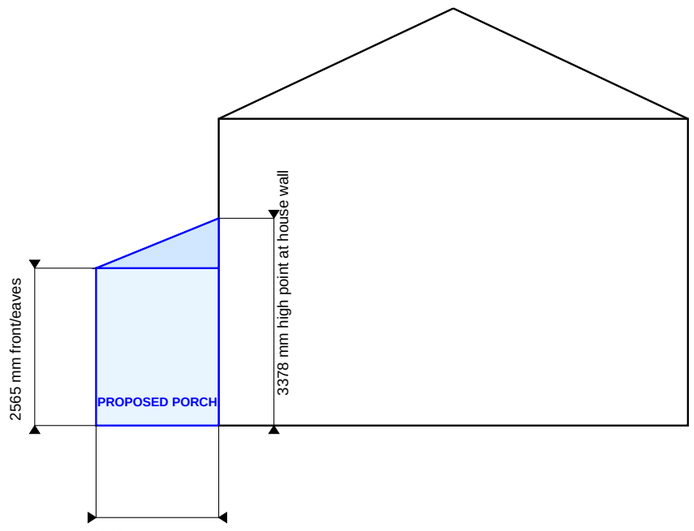
Revised Proposed Elevations - Front and Both Sides - 1:100

Lean-to / single-pitch tiled porch roof. High point at house wall, falling to front eaves, matching the intended neighbouring-porch form.

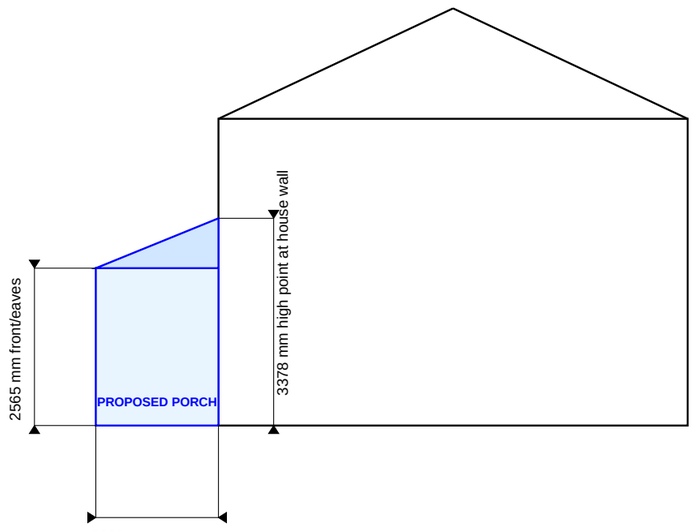
1. Proposed front elevation



2. Proposed left / Suffolk Way side elevation



3. Proposed right / attached party-wall side elevation



Proposed-elevation notes

Proposed porch: 3150 mm wide x 2000 mm projection; lean-to roof high point 3378 mm at house wall, falling to 2565 mm at front/eaves.

Front-left WC window; front-right entrance door; existing right-hand ground-floor house window retained.

Existing-house vertical geometry and first-floor opening positions are indicative from photographs; proposed porch dimensions govern.

Scale bar 1:100

Revised Proposed Front and Both Side Elevations - Lean-to Roof
