Hi

Yes just to confirm we are looking red semi-engineering/carlton and roof – reclaimed slate

Hope that clarifies the situation

With Kind Regards,

Tim Bale

Dear Mr Bale

I see you have listed the proposed materials for the 2010 application as brick – red semi-engineering/carlton and roof – reclaimed slate.

The materials submitted as part of the original application listed the brick for 2010 application as Mellow Redstock, Wienerbergr and the Carlton was to be used for the 2009 application.

Please can you confirm the correct proposed materials for this application?

Kind Regards

Rob Morgan BSc(Hons) MASP
