Comments

Submission Type:
Customer wishes to comment on the Planning Application.

Comments:
The Parish Council has no objections to the proposals.
However, the Parish Council wishes to make the following observations:
The elevations are incorrect: east is west and west is east; the 'east beyond' should be 'west near'; the other east should be 'west beyond'.
A new main entrance is shown, but is marked as 'temporary'. The only other main entance is marked specifically for the reception class only. Where will the new main

entrance be situated?
