Apologies David,

Please see attached Plot 1 plans and elevations. Plans now mirrored as you suggested with entrance now facing Plot 5. We have also adjusted the elevations to Plot 1 slightly to show the sliding door back on the elevations that faces Plot 1 garden.

Kind Regards

Hi Shane,

Thanks for your email yesterday as well as for the changes made. Really appreciated.

We will need an ext of time until next Friday please but a decision will be issued by then.

I've a question regarding the above. Shouldn't the entrance hall on the floor plans be different now because at the moment the main entrance is facing grove house? I hope Im reading it correctly. If so please send in an amended plan.

With thanks,

David Spring
