Hi Emma

Further to my earlier email, please find the attached plan which shows the extent of the provisional group order. The trees which are to be protected within the group order are as follows :-

1 x Whitebeam (Sorbus Aria)
1 x Walnut (Juglans Regia)
1 x Purple leaf plum (Prunus Cerasifera)
1 x Hawthorn (Crataegus Oxyacantha)
1 x Laburnum (Laburnum Anagyroides)
1 x Snowy Mespil (Amelanchair Lamarkii)
1 x Cherry (Prunus)
1 x Silver Birch (Betula Pendula)

(The Latin names may need checking as my Latin is a little sketchy)

The above trees are located in a prime location within the street scene providing a high level of amenity value, and are considered to be an important component to Markfield Conservation Area. The residents of No. 51 The Green have notified the Local Planning Authority of their intent to carry out works which have a detrimental affect on the appearance and health of these tree's and as a result the Local Planning Authority request that a provisional group Tree Preservation Order be placed on the site to protect these worthy trees.

Please let me know if you require any further information.

Thanks for your help

Regards
Nick Cox
