RECEIVED

03/08/09

Dear Mrs Reymes-cole

I am sorry to hear that you have been a victim of crime. I can appreciate how distressing you may have found this. It is our intention to do all we can to help you and to keep you informed of any developments.

Information about your case

Your crime reference number is shown at the top of the page. You should always quote this number when you contact us or if you wish to make a claim on your insurance.

If you need to know more about your case or you become aware of further information that you feel may help us to solve the crime you can contact the Investigating Officer by using the Voicemail Telephone System. Please phone 0116 2222222 and follow the instructions to leave the officer a message. You will need the officer s ID number which is shown at the top of this letter. Remember to quote your crime reference number every time.

What we will do

We will endeavour to keep you informed about any positive developments there are to report in your case, for example if a suspect is charged.

If you have not declined a referral to Victim Support we will pass on your details to them. (It is not our policy to refer victims of vehicle crime or minor criminal damage unless there are aggravating factors to put the victim at particular risk). Victim Support is a voluntary organisation and the volunteers are trained to offer emotional and practical support, which is free of charge. Victim Support are completely independent of the police and can give advice on such things as claims for insurance or compensation, as well as listen to any concerns you may have. The enclosed Victim Support leaflet provides further information on the services they offer, and contact telephone numbers can be found overleaf.

If the offender in your case is (or turns out to be) under 18, the local Youth Offending Team will be asked to assess how best to deal with him or her, taking into account the nature of the offence and the effect on you and other members of the public. A Police Officer from the Team will ask you for your views before a decision is made.
