Dear Sir/Madam

Alliance Landscapes, Burbage Common Road, Hinckley

I am enclosing a cheque for the sum of £670 for a planning application fee, reference 706472, as the planning portal was not able to connect to your accounts department.

The application is for the construction of two works units located between the two existing on this site.

The application is accompanied by a Design & Access Statement, Site Plan, Location Plan, and Elevations.

If you require hard copies of the plans, do not hesitate to ask.

I look forward to hearing from you.

Yours sincerely

For A L P Ambrose
