Dear Ms. Humpreys,

Application 09/00133/FUL
Knoll Farm, Forest Road, Markfield

Further to our conversation regarding proposed Condition 2, as set out in the Officer's Report to Planning Committee, please find attached a copy of the brochure identifying the external appearance of the chalet.

The chalet proposed at Knoll Farm will match the appearance of that shown in the brochure. This will include dark grey roof tiles and textured painted walls. The walls will be finished in Summer Mist, a cream colour. I have attached the manufacturers electronic swatch for the paint.

Hopefully this provides you with sufficient information in order to remove Condition 2 from the proposed list of conditions.

Yours sincerely,

Jonathan Weekes
Senior Planner
