Dear Joanne Orton

Please find enclosed my proposal for Sheepy Lodge . along with all relevant site plans .

I would like to use Sheepy Lodge as a venue for small weddings with groups no larger than 50 people . This will involve no changes to the building except that I will allow the said groups to use the front two reception rooms and the entrance hall. I envisage placing a temporary block of toilets by the side door with a tented link to the house , these will be removed after every event .

The house will remain my main residence .

I hope this explains my plans , please contact me should you have any further questions .

Sincerely yours,

Julie Brogan
